PROFESSIONAL EXPERIENCE

Product Marketing Manager | December 2025 – Present

The EGC Group | Melville, NY

- Turned audience and performance data into digital campaign strategy, message tests, and creative recommendations for four client accounts using Google Ads, Meta Ads Manager, and Brandwatch, driving **19–38%** higher engagement.
- Benchmarked eight competitor brands and measured Jovia Financial Credit Union's share of voice across Instagram, Facebook, LinkedIn, TikTok, and X using Brandwatch, informing a content and messaging shift associated with a **29% increase** in total interactions.
- Used MRI-Simmons Catalyst to identify audience segments and refine Molloy University's targeting, messages, and content plan, lifting social engagement **16%** and improving campaign conversion rates.
- Contributed to \$997K in new business won by the agency team by synthesizing 40+ competitor media-spend reports with Klue, HubSpot, and Google Analytics data into prospecting insights, cutting prospecting time about **30%**.
- Coordinated creator identification, outreach, briefing, and deliverable planning for 15 dental creators in Designs for Vision's creator marketing program, contributing to a **57% increase** in profile visits.

Marketing Coordinator | January 2025 – November 2025

Hofstra University | Hempstead, NY

- Redesigned Hofstra's digital communications across LinkedIn, Instagram, and the website using Canva-crafted visual content and brand-consistent design, improving professional image **30%** and student engagement **10%**.
- Grew Hofstra's recruitment pipeline **30%** by running Mailchimp email campaigns to a 150K-contact database.
- Drove event marketing awareness for admissions events through organic and paid Meta/Facebook promotion, lifting event visibility **25%** and attendance **15%**.

Sr. Digital Media Manager | December 2023 – January 2025

The Creative Roots | Mumbai, MH

- Led Sling TV's Cricket World Cup content campaign across Instagram, Facebook, and Twitter, producing short-form video creative. Subscriptions grew **25%** and reach expanded **30%**.
- Built brand narratives and influencer content strategy for athletes including Hardik Pandya and Virat Kohli, using AI-assisted scheduling and social-listening tools. Brand engagement rose **20%** and public sentiment improved across platforms.
- Ran social media content strategy for 10+ brands, including Samsung and other consumer brands, using performance data to guide creative and content-calendar decisions. Average ROI grew **20%** across the roster.

Brand Strategist | August 2022 – December 2023

Pixelfox | Mumbai, MH

- Pitched and placed client stories in Vogue, Forbes, and Fortune for accounts including Netflix India and Dyson India. Positive brand coverage grew **40%**.
- Grew social following **21%** and reach **66%** by managing content strategy and building influencer marketing partnerships.
- Increased sales **20%** by pairing Meta Ads and LinkedIn Ads campaigns with Mailchimp email promotion.
- Earned the 'Best Use of Instagram & Social Media' award for innovative platform use, while lifting client retention **25%**.

Marketing Manager | February 2021 – July 2022

Energy Mission Machineries India Ltd | Ahmedabad, GJ

- Generated a **30% increase** in qualified leads for hydraulic shearing and CNC press bending machines through social media analytics and multichannel campaign optimization.
- Increased web traffic **30%** by coordinating social media content and optimizing the company website, using Google Analytics to guide decisions.

EDUCATION

Master of Business Administration in Marketing | January 2025 – December 2026 (expected)

Hofstra University, Frank G. Zarb School of Business | Hempstead, NY | GPA: 3.6
